**It's Mackinac Island's most magical time, the annual Lilac Festival. See the streets lined with blooming lilacs and enjoy a 3 night stay at the Grand Hotel!**

**4 Days: June 12 – 15, 2021**

### Day 1 D

We begin our journey by boarding our motorcoach and heading north. We'll get acquainted with other tour members as we travel the shores of Lake Michigan. The usual meal and rest stops will be made en route. Late afternoon we **cross Lake Huron by ferry** and arrive on **Mackinac Island**. We are greeted by **horse & carriage and whisked away to our home away from home ... the world's largest summer hotel with its 600-foot veranda – The Sunday June 13 Grand Hotel**. The hotel's splendor and its gracious hospitality have placed it among the worlds finest. We enjoy our surroundings—antiques from around the world, meticulously groomed gardens, and gourmet dining. Nightfall brings an elegant evening beginning with a **five-course dinner accompanied by live music**. Later, **relax over a cocktail in one of five lounges, or dance the evening away to the sounds of the Grand Hotel Orchestra**.

### Day 2 B, D

A full, cooked-to-order breakfast is served in the dining room each morning (included). We are treated to a **horse-drawn carriage tour of the island**. Learn all of the ins and outs and what makes this island one of the most popular destinations in the country. The remainder of the day is completely free to stroll through the beautiful gardens and enjoy the many amenities and recreational facilities at The Grand...outdoor pool, whirlpools, sauna, tennis courts, bocce, croquet, horseshoes, volleyball and an 18-hole golf course. This evening we are treated to the elegant dinner in the dining room.

### Day 3

Today you can enjoy a **leisurely day exploring the island**. Visit the historic Fort Mackinac, rent a bike and take in the entire island, or just relax on a carriage. Shopping is a must and the fudge is to die for. Then venture off to browse the boutiques in the gingerbread-laced buildings, sample the homemade fudge, or just enjoy the wonderful aroma of the lilacs. Mackinac Island boasts over 100 species. Sit along the marina with the fresh lake breeze gently blowing, take time to view the lighthouses, or grab a bicycle-built-for-two and circle the island.

### Day 4 B, L

We enjoy the wonderful breakfast in the dining room before we are **taxied downtown in a horse-drawn carriage**. We catch the **ferry back to the mainland** and once again board our motorcoach for the drive back home. We remember a wonderful time filled with interesting attractions, serene surroundings, beautiful scenery, elegant dining and the experience of staying at the fabulous Grand Hotel.
