**The Grandeur of these National Gems will take your breath away. Prepare to be Awestruck.**

**7 Days: June 15-21, 2021**

**Day 1** - Meet your Tour Director & fellow travelers and catch your flight to Las Vegas. On arrival, you will board a customized, upscale 13 passenger "Van" and meet your knowledgeable driver-guide. Later in the day, experience a guided tour of Zion National Park, known for its scenic canyon country, featuring high plateaus, a maze of sandstone, waterfalls, and colorful flora. Rest well at the Hampton Inn & Suites in Springdale, UT.

**Day 2 B, D** - Today we travel to Bryce Canyon National Park, famous for its hoodoos, which are vertical sculptured orange sandstone, that appears otherworldly. Our 13 passenger vehicle makes it possible to make stops we could not make in a full size coach. We will make multiple stops at overlooks and viewpoints. Expect gorgeous scenery along the entire route. Call it a day at Best Western Plus Ruby's Inn, Bryce Canyon City.

**Day 3 B, L, D** - Explore Capitol Reef National Park's expansiveness &, broad sweeping vistas. A tortured, twisted, seemingly endless landscape, limitless sky and desert rock give the feeling of a planet unto itself. Discover this hidden treasure filled with cliffs, canyons, domes & bridges in a geologic monocline (a wrinkle on the earth). This amazing park even has a U-Pick orchard in season and The Gifford House selling unique handmade items made by local artisans.....and there is pie! Check into Red Cliffs Lodge in Moab, UT for 3 nights.

**Day 4 B** - Arches National Park contains the world's largest concentration of natural sandstone arches (over 2,000). The park also contains colossal sandstone fins, massive balanced rocks, soaring pinnacles and spires that dwarf visitors. After your tour of Arches, you will have time to enjoy some of the amenities at the Lodge such as wine tasting at Castle Creek Winery, or the Museum of film and Western Heritage. Take a dip in the outdoor pool, or pop into a lounge chair and enjoy the beautiful view.

**Day 5 B, D** - Canyonlands National Park is the largest national park in Utah. A wilderness of almost endless canyons, and incredibly formed buttes carved out by the Colorado River. Dead Horse Point State Park will surprise you. Some visitors claim it is even more captivating than the Grand Canyon. This evening, top off the day with dinner with a view, and a light show during a boat ride on the river.

**Day 6 B, L** - Enjoy the comfy ride and lovely scenery as we make our way back to Las Vegas to check in at the Golden Nugget Hotel & Casino downtown. The evening is free to enjoy all that Vegas has to offer.

**Day 7** - Transfer to the airport for your return flight. On arrival in Wisconsin, you will be transferred to your original pick up location.
