2 Days: August 27 – 28, 2021

Day 1 B, D

Enjoy a boxed breakfast as we make our way to Galena, IL. We'll take a comprehensive look at the art of distilling at **Blaum Bros. Distilling Co.** From the distillation area, to the barrel room, to the comfortable tasting room and cocktail bar, you will take a journey through the entire process of how Blaum Bros. spirits are handcrafted. This is not your standard 5 minute talk, but a full sensory experience. Enjoy some free time in **historic Galena, Illinois** for shopping and lunch, at your own expense. We will then check-in to the **Isle Casino** in Bettendorf, Iowa. Everyone will **receive \$15 in Slot Play and a \$10 Food Voucher**. Tonight, we will board the **Celebration Belle** for an evening of fun with **Dueling Pianos!** Dueling Pianos consists of two pianos, two charismatic, hilarious entertainers behind the keys, and an audience that will laugh and dance into the night. Throughout the night, the piano players play audience requested songs. The pianists sing and battle back and forth with comedic commentary and hilarious banter. The dueling piano act encompass a wide variety of music including popular songs such as "Don't Stop Believin'", "Piano Man", "Ring of Fire", "Great Balls of Fire", "Bennie and the Jets", "Sweet Caroline, and "Brown Eyed Girl". Included in the cruise is two large slices of the Celebration Belle's homemade pizza and a non-alcoholic beverage. You can purchase alcoholic drinks at the bar on the boat.

Day 2

We'll depart for our return to Wisconsin. But, we will be making a couple stops on the way home. Our first will be at the **Back Door Lodge** which is nestled in the **Starved Rock State Park**. Enjoy a **specialty cocktail, Peanut Butter & Jelly Old Fashioned**. The Back Door Lodge also sells food if you are hungry. Our final stop at is at the **Whiskey Acres Distilling Company** where you can experience seed to spirit Whiskey's and Vodka. This is an Estate Distillery like no other found in the United States. They start with the finest grains grown on the best soils the earth has to offer. Add water naturally filtered by the limestone aquifer found deep under those same soils. Then they complete the task by handcrafting a distilled spirit using the same hands of the fifth generation farmers who great that grain. They know the land, their ingredients, and what it means to pay attention to detail. You'll have time at the Whiskey Gardens and the Visitor Center and no stop would be complete without some samples. Return home after a fun AlcoHOLIDAY!
