CONSIDER THE HOSTABILITIES JUNE 26TH, 2021 PER PERSON RATE: \$89

Hostas are the most popular, best-selling perennial in the world. They are hardy, and easy to care for. **Land of the Giant Hostas** is a family business in Milton, WI. They started with 25 different Hosta varieties, and now have over **2700 different varieties** and **340,000 planted in their garden**. You will find everything from **Mini's to Mediums to Giants**, with fun names from **Abba Dabba Do to Yellow Polka Dot Bikini**. Prices range from \$15.00 - \$1050.00, so they have something for every pocketbook. **No garden? No worries**. You are welcome to stroll the garden paths and take in all the beauty that is found in nature. Say Hosta la vista, as we must continue on our way.

Skelly's Farm Market started in 1989 when the Skellys planted 4 rows of sweet corn around their house. The rest, they say, is History. At that time, they were raising 350 acres of field crops and milking 50 cows each day. There has not been a cow on the farm since 2000. They have been replaced with 100 acres of fresh produce. With a little luck, we will arrive during the **Strawberry** season. You are welcome to pick your own, or choose the pre-picked variety. Each person will leave with a **quart of fresh Strawberries**. We will also serve up a **Strawberry donut** from the farm store on the way home. Did we mention there is a **gift Shop**?

Lunch – Before leaving the farm, You will enjoy a freshly prepared lunch delivered to the farm by "SoChopped" located in the Bodacious Shops in Janesville. Choices include: A **Chicken Salad Sandwich**, A **Club wrap**, A **Cobb Salad**, or A **Chicken Ceasar Salad**. The sandwich & wrap are served with **chips**, and all choices include a **cookie**. Enjoy your meal outside at picnic tables (some covered) with Mother Nature.

K&W is a one-of-a-kind Growing Greenhouse. We will enjoy a **walking tour "behind the scenes"** of this amazing place, going where **other visitors are forbidden** and learn what it takes to keep everything green, growing, well-fed, and watered. **K&W Greenery's gift shop is, according to our customers, dangerously wonderful!** While half of the group tours, the others will have an opportunity to shop.

Rotary Botanical Gardens is an award-winning 20-acre, non-profit botanic showcase with over **26 different garden styles and 4,000 varieties of plants**. Visitors to the Gardens may enjoy a self-guided garden tour, shopping, or just soaking in all the beautiful sights and smells.
