7 Days: December 1 – 7, 2021

'Twas the first of December in New York City, and streets were bustling and made to look pretty. With holiday lights on every tree and markets with gifts that will fill you with glee. This tour has something for everybody with lots of stops and attractions along the way. See New York like no other time of year with the world famous NEW YORK CITY ROCKETTES!

Day 1 D

The day has finally arrived! We board our motorcoach and settle in as we head for Cleveland, OH. The time passes quickly as we get to know our fellow travelers before our arrival for dinner and a good night's sleep.

Day 2 B, D

Today finds us traveling east while spreading holiday cheer. A movie and treats for us before arriving just outside of New York City for the night.

Day 3 B, D

Our first day in the "Big Apple" calls for some great sightseeing. We start by visiting the New York Botanical Garden in The Bronx. This time of year, the Botanical Gardens offer a Holiday Train Show that will enchant you. During our visit you will have time to enjoy lunch on your own. Next we will stop at the Bryant Park Winter Village—one of Manhattan's premier Christmas Shopping Markets. Featuring delicious eats and exquisite gifts, this open-air market features local and international artisans. We will have time to refresh at our hotel before dinner at Gayle's Broadway Rose. After dinner the night is yours to stay in and relax or explore Central Park and the Holiday Markets.

Day 4 B, D

After a hearty breakfast at the hotel we will meet our local guide. Just a few blocks away we will explore Rockefeller Center and enjoy a guided tour. Of course we will get up close and personal with the famous Christmas tree. Lunch will be on your own at one of the local eateries. Just across the street we will visit St. Patrick's Cathedral. This Neo-Gothic cathedral is a New York landmark for a reason—it takes up an entire city block and can accommodate up to 3,000 people. Take a quiet moment of reflection and take in this awe-inspiring, sacred setting. Grand Central Station is our next stop. Our guide will walk us through the exquisite architecture and memorable features. Our dinner destination offers traditional German cuisine and is decked to the nines for Christmastime! Our final stop for the day will be at The Morgan Library and Museum. This lavishly outfitted institution was once the private library of John P. Morgan and has long been hailed as a masterpiece of American interior design.

Day 5 B, D

Today our local guide will take us to Downtown Brooklyn for a performance by the Brooklyn Tabernacle Choir. Located in the former Vaudeville Theater, this multicultural church is home to the Tabernacle Choir who has won 6 Grammy's and performed at the 2012 Presidential Inauguration. Lunch will be on your own. After lunch we will arrive at Radio City Music Hall for a performance of "Christmas Spectacular Starring the Radio City Rockettes." Afterwards we will enjoy a windshield tour of Manhattan as we make our way back to Brooklyn. Tonight's dinner will be a taste of Brooklyn history at a renowned restaurant and bakery that is famous for it's decadent cakes. Finally, we will board the coach for a windshield and walking tour of New York's most famous Christmas Lights display in Dyker Heights.

Day 6 B

Following breakfast there will be time for a quick walk through Central Park before we head off. We hope you have room in your suitcase for all the souvenirs you picked up along the way!

Day 7 B

After another day of travel, we will arrive home from our fantastic trip to the Big Apple.
