

# HAPPY TIMES TOURS & EXPERIENCES

## Meet the Makers MKE

**Support Small Businesses in Milwaukee on this behind-the-scenes tour with time to find that perfect gift!**

Meet the makers behind the small businesses in Milwaukee. This tour will take you to the **Milwaukee Blacksmith** where the Knapp family prides themselves on creating hand crafted iron work that is functional and beautiful. You will meet and learn from owner, Kent Knapp, all about the business and have an opportunity to purchase some of their fantastic and unique products for yourself or for someone else. Then, we will head over to **Bay View Printing Company** and learn from Ashley, printer and boss lady, how she acquired a 100 year old printing shop and all of its contents. Ashley's goal was to take this treasure chest of a business and share it with anyone interested in design and letterpress. After years of designing and teaching, she became the third owner of Bay View Printing Company and created a space where people can come to learn, explore, share and make. You will also be able to purchase some of the one-of-a-kind designed items that are for sale too. No day of fun can be had without stopping for a beverage. So before the end of the day, we will stop in a **local Bay View establishment for an included adult beverage** (non-alcoholic also available).
