

# HAPPY TIMES TOURS & EXPERIENCES

## Sweet Dreams are made of Cheese! It's ok to be cheesy in Milwaukee!

This tour couldn't get any cheddar! We will stop at **Milwaukee's only urban cheese maker** to learn all about cheese and how it is made during a video presentation. Of course, they should have some delicious **fresh cheese curds** available to purchase as well. Then, we'll experience the tradition of the **Foamation Cheesehead Factory!** You've heard the term, you've seen the hats, but how much do you really know about the Cheesehead story? You'll observe the inner workings of the factory and take a **behind-the-scenes tour** of the manufacturing warehouse and the production zone – as long as you promise to watch out for flying foam. And before you leave, the truest of cheeseheads wear their cheese on their sleeves, so you will be able to **make your own Cheesehead foamy creation to take home with you**. Our final stop is **Lakefront Brewery** where you will **learn about the history and fun of Lakefront Brewery on a tour before enjoying a couple beers** (or sodas) and a **½ order of their famous deep fried cheese curds served with a house made ranch dressing!** Haven't you heard, the curd is the word!

Includes: Motorcoach Transportation, Visit an Urban Cheesemaker, Behind-the-Scenes Tour of Foamation, Make & Take at Foamation, Lakefront Brewery Tour with 2 beers and a ½ order of deep fried cheese curds.
