7 Days: June 14-20, 2022

Day 1 L, D - Meet your Tour Director & fellow travelers and catch your flight to Las Vegas. On arrival, you will board a customized, upscale 13 passenger "Van" and meet your knowledgeable driver-guide. Later in the day, experience a guided tour of Zion National Park, known for its scenic canyon country, featuring high plateaus, a maze of sandstone, waterfalls, and colorful flora. Rest well at the Best Western Zion Canyon Inn - Springdale, UT.

Day 2 B, I, D - Today we travel to Bryce Canyon National Park, famous for its hoodos, which are vertical sculptured orange sandstone, that appears otherworldly. Our 13 passenger vehicle makes it possible to make stops we could not make in a full size coach. We will make multiple stops at overlooks and viewpoints. Expect gorgeous scenery along the entire route. Call it a day at Best Western Plus Ruby's Inn, Bryce Canyon City.

Day 3 B, L, D - Today highlights the Route 12 scenic buway with a spectacular, diverse collection of landscapes from Bryce Canyon to Moab, UT through Escalante, Boulder and Torrey. Enjoy scenic views in Capitol Reef National Park along the way. Check into Hotel To Be Announced in Moab, UT for 3 nights.

Day 4 B, L - Arches National Park contains the world's largest concentration of natural sandstone arches (over 2,000). The park also contains colossal sandstone fins, massive balanced rocks, soaring pinnacles and spires that dwarf visitors. With an early morning start during this popular time in Arches, there will be the opportunity for an optional Slickrock Hummer tour in the afternoon, in a stunning area high above the town of Moab, just south of Arches National Park.

Day 5 B, L, D - Canyonlands National Park is the largest national park in Utah. A wilderness of almost endless canyons, and incredibly formed buttes carved out by the Colorado River. Dead Horse Point State Park will surprise you. Some visitors claim it is even more captivating than the Grand Canyon. This evening, top off the day with dinner with a view, and a light show during a boat ride on the river.

Day 6 B - Today's return route to Las Vegas takes the freeways through Southern Utah with a scenic stop in Zion's Kolob Canyons region, a section of Zion National Park that was not accessible on our way to Moab. Enjoy the comfy ride and lovely scenery as we make our way back to Las Vegas to check in at the Golden Nugget Hotel & Casino downtown. The evening is free to enjoy all that Vegas has to offer.

Day 7 - Transfer to the airport for your return flight. On arrival in Wisconsin, you will be transferred to your original pick up location.
