2 Days: December 10 – 11, 2022

Day 1 B, L, D

Enjoy a boxed breakfast as we head to La Crosse, WI. We will start our day with a visit to **Pleasoning Gourmet Seasonings**. A small family owned and operated business, specializing in seasoning blends for everything! When you enter, you will get a short explanation of what some of their 40 different seasoning blends are all about. Then you will be able to taste any or all of their 40 different blends. Next, we will enjoy lunch and a tour at the **La Crosse Distilling Company**. La Crosse Distilling Co. was created to capture the heart and history of the Driftless region while producing handcrafted field-to-glass spirits. They partner with family farmers who share their values. Using this Farmer Forward approach, they source heirloom ingredients and rely on vital pollinators like hummingbirds, bees and butterflies; helping them produce the deep and rich flavor profiles in every bottle. After our lunch, we will have a sweet treat at **Great River Popcorn & Ice Cream**. Great River Popcorn & Ice Cream is a family owned business opening in the summer of 2014. They have over 40 flavors of high quality gourmet popcorn made in store in small batches. Next we will travel to the **International Owl Center** where you will experience the Real Life Great Horned Owl Soap Opera and learn all about the lives of some of their rescues. To end our day we will have dinner at the **Blue Moon Restaurant** followed by a driving tour of the beautiful **Rotary Lights Holiday Display**.

Day 2 B, L

Enjoy breakfast at the hotel before we head out for another day full of treats. We'll make a stop at **Bauer's Market and Garden Center**. The smell of fresh-cut Christmas trees and an array of colorful poinsettias provide a festive holiday touch. As long cold winter days seem to last forever, you'll always feel a sense of spring as the greenhouse provides relief to warmer days ahead. Lunch will be included at **Fayze's Restaurant & Bakery**. Located right in the heart of historic downtown La Crosse, Fayze's has created a tradition of mouthwatering recipes and flavors to suit any style. You'll also get something sweet from the bakery for your stockings. Visit **The Pearl Ice Cream Parlor & Confectionary** for some dessert and get something special for your stocking as well. As we begin our journey home we'll make a stop at **Old Country Cheese** for some of their famous Christmas Cheese. We'll return home with our bags full of treats and lots of memories.
