**8 Days: March 10 - 16, 2023**

### Day 1 D

Today you will be picked up at home and taken to Milwaukee's Mitchell Airport for our flight to Sunny San Diego! We'll arrive and be transferred to the **Embassy Suites by Hilton San Diego Bay Downtown**, our home for the next 3 nights.

### Day 2 B, L

Today a local guide will take us on a **narrated sightseeing tour of San Diego** including the **Waterfront area, Gaslamp Quarter, Old Town San Diego** with an **included lunch and Coronado** with free time to explore **Hotel Del Coronado**.

### Day 3 B, D

Today we will start our sightseeing at the **San Diego Zoo**. The Zoo has about 4,000 animals representing more than 800 species. A feature of the zoo is its landscaping. More than 6,500 species of exotic plants are maintained on the grounds, adding atmosphere and frequently providing an element of the natural diet for various animal species. The San Diego Zoo is located in **Balboa Park** which was developed more than a century ago. Tonight sit back and enjoy the views of San Diego's most scenic waterfront sights while enjoying a delicious dinner on a **San Diego Bay Dinner Cruise**.

### Day 4 B, D

Today we depart San Diego and head North. We will board a **high-speed catamaran** and make our way to **Catalina Island**. Catalina Island is the southernmost island of California's Channel Islands. The Island is made up of two towns, the incorporated city of Avalon on the east end, and the unincorporated village Two Harbors on the west end. The Island is just 22 miles long and 8 miles across. We have left the day free on Catalina for you to do what you would like. There are plenty of sightseeing excursions available, dining is plentiful and, of course, the water views and beaches are outstanding. Tonight we will arrive in Los Angeles and check in to the **Westin Bonaventure Hotel & Suites** for a 3 night stay.

### Day 5 B, L

A local guide will join us today for a **narrated city tour of Los Angeles** including the **downtown area, Santa Monica, Malibu and The Getty Villa Museum** which lies along the coast and displays ancient Greek and Roman art in a recreated Roman House. A **beachside lunch** is included at Gladstones, a 50 year Southern California tradition.

### Day 6 B, D

A local guide will join us today for a **narrated Hollywood sightseeing tour**. You never know who you might meet or see in Hollywood so bring your camera. We'll visit the **Hollywood Walk of Fame** and enjoy a **docent-guided tour of Paramount Studios**. Dinner is included at a favorite restaurant!

### Day 7 B

Before we depart for home, we will tour **SoFi Stadium**, the newest mega stadium in the world and home to the L.A. Rams/Chargers, home to the 2022 Superbowl, 2026 World Cup and 2028 Olympics. We'll be dreaming of our Southern California vacation as we board our return flight from Los Angeles to Milwaukee.
