Welcome to Happy Times Tours

Welcome to Happy Times Tours! We are excited about our line-up of tours for 2023 and we hope you are too.

Every year at this time, we reflect on the past year. We think about the challenges as well as the successes we have had. One thing we always know is we are thankful for you, our customers. We know with rising costs, you will have to make decisions on where you are going and the fact that you choose Happy Times Tours, makes us smile from ear to ear. We would like to say THANK YOU!

We also know many of you have been requesting specific casinos or destinations you would like to visit. We are working hard with vendors to try to get into those locations. Unfortunately, the rebound from COVID is slower than we had hoped and staffing shortages are not helping. We greatly appreciate your patience with this. It is truly out of our control.

Thank you for choosing to travel with us!

Kris Hoff and everyone at Happy Times Tours
