**We invite you to join us on this winter escape exclusively to the gorgeous island of Key West, Florida!**

At the base of the Florida Keys, this stunning oasis is one of our favorite places in the United States! We will spend four glorious nights at the finest resort the island has to offer, the **Southernmost Beach Resort**, located at the end of historic **Duval Street**, where Old Town meets the Atlantic. A delicious breakfast at the resort is included for you each morning, so you'll be ready to take in everything that each day has to offer you!

"Immerse yourself in onsite amenities where everything is at your fingertips. Four bars, three heated pools, two beaches, fitness center, spa, and one amazing oceanfront restaurant—Southernmost offers six-acres of fun and then some. Discover a wide variety of resort activities including live music, daily activities, and concierge booked excursions and tours . . . Perfectly situated, enjoy close access to all of the Island's most sought-after attractions."

The resort is located next door to the iconic '**Southernmost Point Buoy**'. The Buoy statue is more than just a great photo opportunity...located only 90-miles from Cuba, it marks the southernmost point in the continental U.S.

In Key West, you'll have free time to explore or relax as you choose! Everything from chilling on the beach, to hitting the town, exploring museums, snorkeling and more is waiting for you to make the most out of your time in paradise! We will provide you with a **two-day hop-on, hop-off trolley ticket** you can use to explore the town.
