3 Days: June 28-30, 2024

Day 1 B, D

Enjoy a light breakfast as we make our way to Indianapolis. We will arrive in Indianapolis and meet a local guide. Our first stop will be at **Newfields (Indianapolis Museum of Art)**. Set on a 26-acre estate, the galleries showcase works by Picasso, Rembrandt, O'Keeffe and others plus Japanese artwork, Chinese ceramics, West Asian rugs, two thousand objects of African Art and more. We will check-in to the **Drury Plaza Hotel** and enjoy a **welcome dinner at Rick's Café Boatyard**, located on the **1,300-acre Eagle Creek Reservoir**.

Day 2 B, D

After breakfast, we will travel to the **Eiteljorg Museum of Native American and Western Art**, which opened in 1989 and features three galleries. In the *Contemporary Gallery* you will find modern works by Native American artists. The *Western American Gallery* is filled with 19th & 20th Century paintings and sculptures. The *Native American Gallery* features carvings, basketry, beadwork, pottery and clothing of the Indian people. Lunch, will be at your own expense, at the **Garage Food Hall** which was the garage for the former Coca-Cola Bottling Company plant. We will then travel to **Conner Prairie Settlement** where you will visit four settlement areas relating to the history of Indiana. Each area has costumed interpreters to discuss what's happening in their community. Dinner tonight is in a **late 1800's restored Victorian home**.

Day 3 B, L

After breakfast we will travel to the **Tie Dye Lab to create your own tie dye long-sleeve t-shirt**. Each person will receive a white long sleeve t-shirt and six pre-selected colors to use.

The Tie Dye Lab staff will help fold your t-shirt to get the desired design and then show various options for applying the dyes. Then, we will take a unique **tour of the Waste Management Landfill with a staff member** before enjoying lunch at the **famous Mayberry Café**.
