Let's talk a walk on Wisconsin's Wild Side today! First we will start off at the **London Dairy Alpaca Ranch** for a **behind-the-scenes tour experience**. You will have the **opportunity to interact and feed the alpacas and take selfies with alpacas**. Learn about these beautiful and friendly animals and the uses of their fiber, gain and understanding of the uniqueness of this century owned family ranch, and sorting fiber like the natives from South America. Then, you will **enjoy some samples of wine** that they sell in the gift shop! Next, enjoy a **family-style lunch at the beautiful Lighthouse Inn** (menu: chicken, roast beef, mashed potatoes with gravy, rolls with butter, hot vegetable, coleslaw, dressing, sauerkraut, tuxedo truffle mousse and coffee or milk). To complete our wild day, we will make a stop at the **LaClare Family Creamery & Goat Farm**. Take a self-guided tour through the Visitor Center and learn all about the LaClare Family Creamery and their cheesemaking operations. You will have time to visit the goat silo, a fun way to meet the goats. Then, make your way over to the barn to see the 700 doelings that they have onsite.
